## Sign up for Summer Food NOW!!

Did you know that 23% of children in the San Antonio area are food insecure? That means that one in 4 children are not sure where their next meal comes from. And this is made worse in the summer time when schools are out.

Now's your chance to help reach those kids when they need it the most! If you are in an area with 50% or more of the children receiving Free or Reduce school lunches and you have programming for kids during the summer, you may be eligible to receive free meals from the San Antonio Food Bank to serve kids (ages 1-18). Contact us for more info!
