OUR MISSION IS TO FIGHT HUNGER IN SOUTHWEST TEXAS THROUGH FOOD DISTRIBUTION, PROGRAMS, EDUCATION, AND ADVOCACY.

# WHAT IS A FOOD AND FUND DRIVE

## FOOD AND FUND DRIVES

can be conducted by any organization or group of dedicated people who understand it takes local action to solve a local problem.

**FOOD DRIVES** are critical to the ongoing mission of collecting and redistributing millions of pounds of food to individuals and families in Southwest Texas who don't know where their next meals are coming from.

**FUND DRIVES** (monetary donations) are equally as important and are used to leverage the San Antonio Food Bank's bulk buying power. For example, \$1.00 donated provides 10 lbs. of food for needy families.

A drive is an excellent opportunity for anyone in the greater Southwest Texas community to become direct partners with the San Antonio Food Bank in the fight to end hunger.

## VIRTUAL DRIVE

The San Antonio Food Bank also has a Virtual Food and Fund Drive component that allows you to coordinate and run a Food and Fund drive straight from your computer!

With easy-to-use technology, your group can organize a Virtual Food Drive with the fun point-and-click simplicity that you would find with online shopping.

Donors may use any major credit card for payment on a secure site and receive an e-receipt immediately. Each Virtual Food Drive can be customized with your company's logo.

# RUNNING YOUR FOOD DRIVE

## 6 EASY STEPS TO A SUCCESSFUL DRIVE

### 1) REGISTER YOUR FOOD DRIVE

If you have not yet registered your food drive, complete the Registration form found on our website at: <https://safoodbank.wufoo.com/forms/food-fund-drive-registration-form-z3upq7d1yww2ip/>

The Food and Fund Drive Coordinator will contact you to help plan further details of your drive or event.

### 2) SET YOUR GOALS

No matter what your approach. This gives participants something to work toward and a benchmark for success. The goal can be based on the amount raised the last time, or you can set a goal based on the number of participants. Examples:

300 people  
x 5 pounds per person  
1,500 pounds of food

300 people  
x \$5 per person  
\$1,500 or 15,000 pounds of food

### 3) GATHER YOUR BOXES AND CONTAINERS

Printing paper boxes work really well for Food and Fund Drives. You can go to local copy/print shops and ask for the spare boxes. They are sturdy and still manageable when filled with food. The San Antonio Food Bank will provide barrels for food collection. We do ask Food and Fund Drive organizers to limit barrel requests to large food drive events where more than one barrel is necessary.

### 4) BEGIN PROMOTING

Share information throughout your organization and community to raise involvement early in the process. Make posters, flyers, and signs to promote your drive. You can also remind people about your food drive in your e-mail signature or voicemail message. If your organization has a website, post information about your drive during the Food and Fund drive to keep everyone updated on its progress.

### 5) SET UP A LOCATION

Collection sites should be visible and easy to find. Collect non-perishable food items at central locations like break rooms, common meeting rooms and reception areas. Assign one or two individuals to be responsible for collecting financial contributions. Make all checks payable to the San Antonio Food Bank. If you are using a virtual drive, share the link with colleagues or on social media.

### 6) SCHEDULE TRANSPORTATION

Contact us to swap full barrels during the drive or to pick up barrels at the end of the drive. Our drivers make pick-ups and deliveries between 12 pm and 4 pm, Monday through Friday. Please call at least 72 hours in advance. Please note that we cannot assure a specific time of barrel delivery and pick-up. Transportation requests may be subject to weather and driver availability. Please allow additional time during the holiday season. Food donations can also be dropped off Monday through Friday, 8 am to 4:30 pm at our warehouse located at 5200 Enrique M. Barrera Pkwy. When you deliver your collected donations, you help us set the table for a family in need.

## ≡ CREATIVE IDEAS ≡

Here are a couple of innovative suggestions to create energy and team building around your Food and Fund Drive!

- 1) Offer incentives for people who participate, like a casual dress day, blue jean Friday or free doughnut breakfast.
- 2) Hold a party or luncheon as part of the drive with the price of admission set at 5 cans of food or a \$5 donation.
- 3) Organize a contest between departments, teams or groups with awards for the group that raises the most food and/or financial contributions. Give prizes like a pizza lunch, a free party, an extra hour for lunch or breakfast with an executive.
- 4) Get coworkers or businesses to donate prizes for a drawing. Sell tickets or give one ticket for each bag of groceries donated. Hold the drawing at the end of the food drive.
- 5) Set up coin cans in prominent locations for people to donate spare change.
